CREDIT CARD AUTHORIZATION FOR TOLLS, FEES, INCIDENTAL CHARGES AND COLLECTION COSTS

I, _____ ("Customer"), hereby irrevocably authorize Swift Pro LLC ("Owner") to retain and securely store my credit card information on file for the purpose of processing future authorized transactions arising under the Rental Agreement, and to charge my credit card for any and all amounts due under the Rental Agreement, including, without limitation, rental charges, tolls, electronic toll charges, bridge and roadway fees, weigh station fees, traffic or toll violations, fines, penalties, administrative fees, processing fees, convenience fees, returned payment fees, damage charges, cleaning charges, unpaid rental charges, late fees, collection costs, and any other amounts lawfully owed by Customer under the Rental Agreement for the trailer(s) identified below:

TRAILER No.	TAG No.	MAKE	YEAR	LENGTH	VIN#	TYPE

Customer acknowledges and agrees that tolls and similar charges may be reported to Owner days, weeks, or months after they are incurred. Customer expressly authorizes Owner to process such charges upon receipt, regardless of whether the Rental Agreement has expired or been terminated, and without the need for any additional notice or authorization.

No Dollar Limit Authorization. Customer expressly acknowledges and agrees that this Credit Card Authorization is not limited to any specific dollar amount. Customer authorizes Owner to charge the credit card for any and all amounts lawfully due under the Rental Agreement, whether such amounts are known or unknown at the time this Authorization is executed, including amounts incurred, assessed, discovered, billed, or received after the Rental Agreement has expired or otherwise terminated.

This Authorization shall remain in full force and effect until all obligations owed by Customer to Owner have been fully satisfied and shall survive the expiration, termination, cancellation, or completion of the Rental Agreement.

Customer further authorizes Owner to combine multiple tolls, fees, or other charges into one or more credit card transactions at Owner's sole discretion.

If any charge is declined, returned, disputed, reversed, or becomes subject to a chargeback, Customer agrees that the underlying debt shall remain immediately due and payable. Customer shall be responsible for all costs incurred by Owner in collecting such amounts, including, to the fullest extent permitted by Florida law, reasonable attorneys' fees, court costs, collection agency fees, bank fees, payment processor fees, and all other expenses of collection, whether incurred before, during, or after litigation.

Owner may re-submit any declined transaction and may process one or more additional or partial transactions until all amounts owed by Customer have been paid in full. Customer agrees that replacement, renewal, expiration, cancellation, or reissuance of the credit card shall not affect Customer's payment obligations under this Authorization and agrees to promptly provide updated payment information upon Owner's request.

Customer acknowledges that this Credit Card Authorization constitutes Customer's express, continuing, and irrevocable authorization for Owner to process all charges permitted under the Rental Agreement. This Authorization shall constitute sufficient evidence of Customer's authorization and may be relied upon by Owner, its payment processor, acquiring bank, financial institutions, card issuer, collection agencies, and any court or arbitrator in connection with any payment dispute, collection action, or chargeback investigation.

Customer expressly agrees that:

- * All toll-related charges are variable, unpredictable, and may be incurred without prior notice to Customer.
- * Owner is authorized to charge Customer's credit card on an as-incurred basis, including charges received weeks or months after the actual toll transaction date.
- * Owner may consolidate multiple toll transactions and related fees into a single billing or processing charge.
